Request from the School of Nursing

Nursing has experienced growth among its programs, which means the faculty and staff have grown with this expansion. To keep up with the growth, the school of nursing request that Bell Hall 252, a small

classroom, be reclassified as office space. The school of nursing also requests for the university to pay for 50% of the project.

Motion. Wahid Motevalli

Second. Julie Baker

Request from Human Ecology TECTA (Informational Item)

The TECTA grant is hiring two new staff, so the need for more office space is required to accommodate them. Leslie Hamlett and Darcy Neyman plan to move into the requested space and give the current space to the new employees. In addition, there is need for more space to store materials that are needed to serve the students.

No voting.

Request from the College of Business

The College of Business requests the need for additional faculty offices and collaboration space for support of the senior faculty and the Mayberry Chair of Excellence. Johnson Hall, room 402 is requested.

Motion. Julie Baker

Second. Beth Howard
