Tennessee Tech University recognizes Cambridge/ or GCE or IGCSE or Edexcel A levels and will award transfer credits on any course with a grade of E or above.

Students may wish to earn credit by examination because of prior knowledge they have in a content area. One way of obtaining credit based on examination at Tennessee Tech is by taking course examinations in the College Level Examination Program (CLEP). Equivalent college credit earned for acceptable scores as defined by Tennessee Tech is listed below. Any student admitted and enrolled at Tennessee Tech may use the CLEP option to earn credit.

The following guidelines are utilized when earning CLEP credit: A maximum of 33 semester hours of credit may be obtained by any combination of correspondence courses, extension courses, special departmental examinations, advanced placement, or military equivalency credits. This includes the CLEP testing program. <https://www.tntech.edu/admissions/undergraduates/credit#clep>

ACT and SAT Exams

Entering students and regularly enrolled students may obtain advanced placement with credit in certain courses by obtaining high scores on the appropriate test(s):	
ACT English Subtest score of 27-30	ENGL 1010
SAT Critical Reading Subtest score of 610-690	ENGL 1010
ACT English Subtest score of 31 or higher	ENGL 1010 and ENGL 1020
SAT Critical Reading Subtest score of 700 or higher	ENGL 1010 and ENGL 1020
The ACT code for Tennessee Tech is 4012. The SAT code is 1804.	

TTU also will award credits for Advanced Placement examinations. Follow this link for a list of A.P. Exams and the course equivalent <https://www.tntech.edu/admissions/undergraduates/credit#advancedplacement>

Transfer applicants

You should apply as a transfer applicant if you have ever enrolled in a college or university following graduation from high school.

1. Complete and sign the application, or apply online; Send a non-refundable \$40 application fee
2. Request your school to mail any official transcripts to Tennessee Tech University or an attested copy. They must be in English. (High school and college/ university marks are required) ** SEE BELOW ON TRANSFER COURSEWORK FROM ABROAD for details on getting course work completed abroad evaluated.
3. Have SAT, ACT, TOEFL, IELTS or other schools or scores sent to TTU at the address above if your native language is not English.
4. As an international students, you must provide a copy of your passport, and a bank statement to receive your I-20 for your student visa. If you are already in the USA and making plans to transfer to TTU, be sure to provide a copy of your current I-20, visa and I-94.

Transfer coursework from the US/Abroad

Any undergraduate student (domestic, permanent resident or international) who completed coursework abroad (with the exception of study abroad with TTU) is required to have coursework evaluated by a member of the National Association of Credential Evaluation Services (NACES) www.naces.org. A course by course evaluation is required for any transfer credit to be awarded.

The credit will be posted as elective credit and the grades will be posted based on the evaluation report and transcript. To appeal credit for a specific course offered by TTU, the course description must be supplied in English to the International Education Office or the Undergraduate Admissions Office. The department chair of the course's discipline will review to determine if the course is equivalent.

A student who does not submit their transcripts to a NACES organization for evaluation will not receive any credit. Transcripts must be submitted to the Office of International Education for admission purposes. Not submitting the information could be grounds for dismissal from the University. **If transfer credit is required, a course description of each class must accompany the transcripts before the student will be admitted to TTU.**

The Office of International Education DOES NOT evaluate transfer credits for incoming student. The evaluation is completed by the department of your major. Please contact the department to see the status of your transfer evaluation.

Tennessee Tech University recommends Educational Perspectives. The easiest way is to apply at <http://www.edperspective.org/online-application/payment-service-request.php>. You will need to make two separate transactions. He will first need to make payment for the report by clicking on "Upgrade Services & Other Payments" after entering his personal information, and then on the Catalog Match Report option on the next screen. Once he makes payment, he will need to go back to the same link and click on "Additional Copies only" this time, and request one copy to your institution. The cost of the Catalog Match is \$225 and \$20 for each additional copy.

English as a Second Language (ESL) and Conditional Letter of Admissions (CLA)

Tennessee Tech University now offers, English as a Second Language courses for non-native English speakers. Students will be in classes which enrich their language and improve their listening, speaking, reading and writing skills. Students can choose from 15 lessons to 36 hours of lessons per week. Email the Director at cwilkerson@tntech.edu for questions on the ESL program and its cost. This program has permission to support non-immigrant visa holders. TTU also can issue Conditional Letters of Admission for several ESL Partners such as FLS International, ELS Language Centers, Zoni, Boston English Academy, Stafford House, LSI, A.C.E., Bridge English, Talk. Embassy CES, INTRAX English Institute, ILSC, and Kaplan.

Transcripts

All international applicants are required to submit transcripts in English from their high school abroad.

Academic Records required from around the world:

From Canada: Grades should be sent to the Office of ISA directly from your school with grading scale.

From East and Southeast Asia: Official Secondary and prep school records translated into English with grades. 高中成績單 for Chinese students

From Africa: Official Secondary and prep school records translated into English with grades and West African School Certificate of Cert of Education.

From South Korea (Republic Korea): Graduation Certificate From An Academic High School or Graduation Certificate From A Vocational High School

From Europe: Official Preparatory records, Gymnasium, Real Schule, Lycee or Liceo records. These should be arranged chronologically indicating the number of weeks and the number of hours per week of instruction with grades received. A Certificate of Maturity, and Abitur should be furnished. Mark Sheets from the UK are required.

From Central and South America: Official High school or prep school records, together with the government matriculation certificate of Diploma of Bachelor. Should be listed chronologically and include number of hours and grades.

Students from Japan: Kotogakko/Secondary School Leaving Certificate and school transcript 江東区 学校卒業証明書 for Japanese students

From India and Pakistan: Certified true copies of each year of schooling completed beginning from secondary school with the leaving Certificate (matriculation Certificate) and continuing through the final year of the highest degree received. These must show courses taken, marks received and maximum possible marks for each course.

From the Middle East (Saudi Arabia, Kuwait, UAE, Qatar, Jordan etc): Official Secondary and Prep school records for all years. Certified by your nations Ministry of Education will be sufficient. All 3 years are required and mandatory, providing only one year will result in denial of admission.

Medical Insurance:

It is mandatory for all F-1, & J-1 visa holders as mandated by the Tennessee Board of Regents. If you will be buying personal insurance, the Office of International Education needs to have a copy of your policy in English to assist in the event of an emergency and to verify you have adequate coverage. The policy must provide medical evaluation and repatriation.

Immunizations

Students must provide proof of two (2) MMRs (measles, mumps, and rubella) vaccinations. Note the first dose must have been given on or after the first birthday. Students born prior to 1957, or those with a documented history of physician diagnosed Measles, are exempt from this requirement.

TTU Health Services recommends that all students provide immunization records for:

1. All full-time undergraduate and graduate students must provide proof of 2 MMR's. All students must fill out Hepatitis B/Meningitis waiver form prior to registering for the initial semester
2. TB skin test- within past 12 months
3. documented history of physician diagnosed Chicken Pox or proof of chicken pox vaccine (2 doses)
4. Students planning to live in the dormitories or residence halls must show proof of the meningitis vaccine after their 16th birthday.

These immunizations are at the cost of the student, TTU will not pay for these vaccines, and they are quite costly-it is better to have them done before you come to the US. All full-time undergraduate and graduate students must provide proof of 2 MMR's. All students must fill out Hepatitis B/Meningitis waiver form prior to registering for the initial semester. Other optional vaccines which one can submit: Tetanus/Diphtheria -within past 10 years for booster; Meningitis Vaccine; Hepatitis B Vaccine- series of 3 injections. State Law will not permit TTU officials from waiving these requirements. They are required and no exceptions can be made. If you believe you have had the immunizations but have no written record, you may take a titer for the MMR and Chicken pox to determine your immunity thus relieve you of receiving the vaccination.

Immigration requirements

All international applicants are required to submit adequate evidence of financial support to cover the cost of attendance for at least one full year of studies at TTU before the Certificate of Acceptance to the university is mailed. Permanent residents are not required to provide this for admissions.

Students requesting a SEVIS I-20 or DS2019 are required by Federal law to submit financial verification to be issued the documents. The estimated amount required for issuance of the I-20/DS2019 is \$30,000 U.S. dollars. You will take the I-20/DS2019 and apply for your F-1 or J-1 visa in your country. (see the form you can submit to your bank on the next page). Be sure to pay the SEVIS fee prior to your visa appointment; go to <http://www.fmjfee.com> to pay the SEVIS fee online.

Students already in the USA, who have a student visa, must submit copies of your passport, I-20, I-94 and visa

To transfer your I-20 to TTU; to be eligible to transfer from one US institution to another, you must be a full-time student. If you have completed an Associates Degree at another institution you will only need an official transcript sent to Office of International Education. In addition to the financial support documentation. Please have the form posted to **TTU Po box 5093 Cookeville TN 38505 or faxed to 931-372-3674**

Campus housing

Be sure to reserve a room early if you plan to live on-campus. You can fill out an online application at www.tntech.edu/reslife/. To be on the waiting list you need to pay a \$100 deposit fee. The University requires students to live in residence hall units until all available spaces have been assigned beginning with freshmen and proceeding through the academic classification of sophomore, junior and senior. Based on current available space, the University residency requirement places an emphasis on students who have not completed four semesters of college coursework post high school graduation.

International students who have religious and dietary requirements may request an exception to the rule for international students. Information about living on campus can be found here:

<http://www.tntech.edu/reslife/gslsection8/>

Be aware: TTU's Residential Life does NOT accept paper housing applications anymore. You MUST apply online using the instructions below. (6 easy steps)

PAYING FOR COLLEGE
 INTERNATIONAL STUDENTS

HELLO.

TTU offers the prestige, the quality programs and the personal attention of many private colleges without the high price. Offering an affordable education in the state of Tennessee, Tennessee Tech University boasts an excellent academic reputation and consistently ranks high in both student and alumni satisfaction.

FEES FOR FALL 2015. SPRING 2016 & SUMMER 2016

How much does it cost to attend Tennessee Tech University?

The answer to this question depends on several points. To make it easier we have listed items under the different types of fees.

Maintenance fees

As a TTU student, you will pay a maintenance fee for each credit hour of instruction. Some colleges refer to this as out-of-state tuition. The maintenance fee is currently \$685.50 for all undergraduate students and \$186 is added for each hour above 12 hours. Out-of-State fees are assessed to anyone who is not a Tennessee State resident. All international students are considered out of state and in state.

Other fees and charges

As a TTU student, you will also be responsible for debt service, government, & general access fees. Don't forget to include the cost of housing and a meal plan. International students have a semesterly international fee to cover cost such as mailing cost, staff and immigration documents.
