

## University Curriculum Committee

### Curriculum Guideline Notes

- I. Change the Course Numbers  
The course number should be changed when the credit hours changes, when this is a major change in the content or a major change in the title.
- II. Guidelines for Curriculum Development  
General education – 40-50 hours  
  
Major Field Core – 30 + hours  
Concentration – 15 to 25 hours  
Option - less than concentration
- III. TBR Approval  
If a curriculum requirement has a change of at least 18 hours, then this equates to a substantive curriculum modification and requires TBR approval.
- IV. Academic Program Approvals  
All academic requirements that require TBR approval are outlined in the A-010 Policies for Academic Program Approvals located on the TTU web site at [www2.tntech.edu/planning/](http://www2.tntech.edu/planning/)
