

**INDIVIDUAL TRAVEL RELEASE FORM  
TENNESSEE TECH UNIVERSITY**

As part of my education at Tennessee Tech University, I recognize that I will be required to participate in University sponsored travel for research and field trips. I also recognize that certain risks are associated with participation in such travel. My trip advisor has provided safety information concerning these risks. Consequently, I will not hold Tennessee Tech University or any University employee responsible if an accident should occur while on a University sponsored trip. In addition, if private vehicles are used during these trips, I will not hold the owner of the vehicle responsible in the event of an accident. I further recognize that the University has no liability if I am using my personal vehicle.
