

# HONORS HOUSING AGREEMENT

Academic year 2012 - 2013

Murphy Hall Residence

By accepting a housing assignment in Murphy Hall, the Honors Program residence hall, I agree to abide by the following rules and conditions:

1. I will be considerate of other residents by maintaining appropriate noise levels, standards of cleanliness, and polite behavior.
2. I will refrain from using drugs and alcohol in the Honors residence hall.
3. I understand that significant misbehavior will result in my removal from the Honors residence hall.
4. I will complete at least one Honors course (-800 section, colloquium, or directed study) each semester until I have fulfilled all course requirements for graduation *in cursu honorum*. If I must drop an Honors course, or if I have an extenuating circumstance that should exempt me from this policy for the current semester, I must obtain approval in writing from the director of the Honors Program.
5. If I decide to stop participating in the Honors Program (i.e., stop taking Honors classes), I will notify the Honors Office and will no longer be eligible for Honors housing as of the end of the current semester.
6. I will notify the Honors Office of any change in my residence status, including vacancy of a roommate.
7. Any misrepresentation of my intentions will be construed as a violation of this agreement, and will result in my loss of eligibility for Honors housing.
8. Questions and concerns regarding the terms of this agreement should be addressed to Mr. Michael Clark, Interim Associate Director of Honors. Decisions regarding issues of compliance with this agreement will be made by the associate director, subject to review by the director of the Honors Program.

The terms of this agreement will apply for the 2012-2013 academic year.
