

Academic Program Inventory for Tennessee Technological University

January 18, 2012

Tennessee Higher Education Commission

Note: In the following inventory, the 10-digit Tennessee "2000 CIP" code contains the actual federal 6-digit 2000 CIP code. The CIP code is preceded by two numbers and followed by another two numbers. For example, the 10-digit major code for the TTU undergraduate program in Biology is 18.26.0101.00. The CIP code is the interior 6-digit code: 26.0101. More information about the Classification of Instructional Programs (CIP), a federal taxonomy, is available elsewhere in this TTU website:
