

Setting Up Your Student E-mail on the iPad/iPhone/iPod

Before you get started:

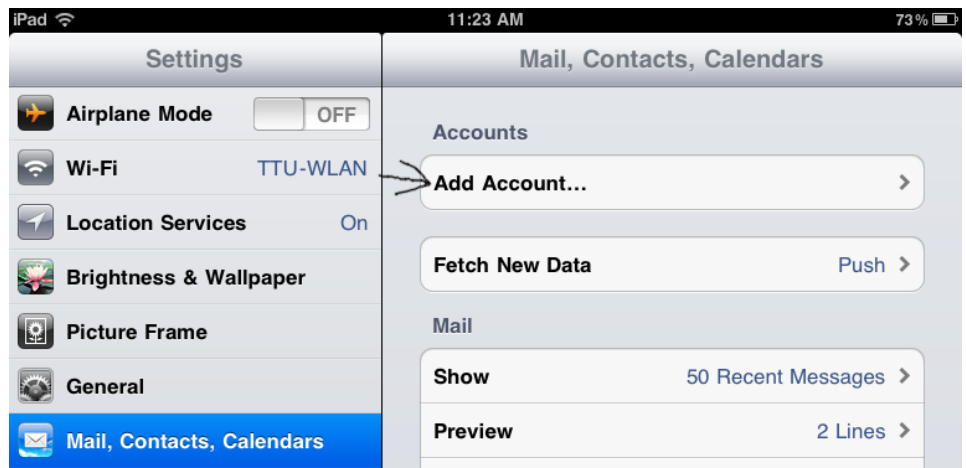

1. Make sure you have an Internet connection.
2. Make sure you have already set up your TTU email address and can log in at <http://www.tntech.edu/studentemail/home/>

1. Click on the Settings button on the home screen

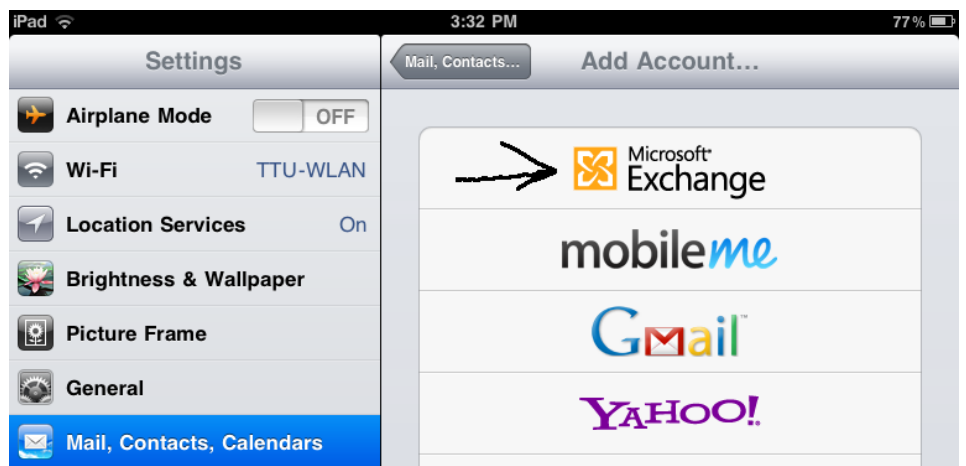

2. Next, click on "Mail, Contacts, Calendars" in the menu on the left

3. Next, click on "Add Account..."

4. Then, click on the Microsoft Exchange logo.

5. Enter your full email address next to Email.
6. Enter your full email address next to Username
7. Enter your Live@EDU password next to Password
8. Click "Next" button at the top of the screen.
