

# ***Old Guard Technical Poster Competition Winners***

**Carlos Carvajal**

**Ryan Lisa**

Congratulations to two of our Mechanical Engineering Seniors, Carlos Carvajal and Ryan Lisa, for winning 1st and 4th place, respectively, in the poster competition at the recent ASME District Regional Conference in Tampa, Florida.

Engineers, like all professionals, must possess a well-developed ability to communicate. This poster competition for local spring student conference is designed to emphasize the ability to deliver visual presentations. Subject matter is to be related to some area in the field of mechanical engineering. The poster is to be prepared so that it can be easily understood in the absence of the author.
