

## Project Abstract Form

*This form is to be completed with Project Activation Form*

**ABSTRACT of PROPOSAL OR PROJECT:** In the space below include a public **abstract of not more than 350 words** clearly stating the objectives of the proposed research. This self-contained document should be suitable for publication and identify objectives of the project, methods to be employed, and the potential impact of the project (i.e., benefits, outcomes). **It should be** written such that, insofar as possible, it is **understandable to a lay reader**. This document must not include any proprietary or sensitive information as it may be made available to the public.

**PROJECT TITLE:**

*Point of Contact for  
Coordination,  
Preparation, and  
Distribution of Press  
Releases*
