Three Greek organizations recently broke records in the area of academic achievement. TTU Panhellenic sorority Alpha Delta Pi shattered previous scholastic records with a 3.306 chapter average with 93 members. "This is the highest chapter grade point average we have ever had for an NPC chapter," said Greek advisor, Katie Williams. TTU fraternity Phi Gamma Delta (FIJI) achieved a chapter aver-

age of 3.163 taking the record for highest fraternity chapter average in TTU's history. "These guys really did a great job especially considering they have 78 members," said Matt Smith, IFC VP for Scholarship. Zeta Phi Beta took top honors achieving a 3.316 chapter GPA. "These ladies have outstanding grades" said Melvin McDonald, NPHC President. According to the Fall 2009 grade report, over half of all Greeks made above a 3.0 and 42% were on the Dean's List. Also, Panhellenic, Interfraternity council, and All Greek grade point averages exceeded the undergraduate women's, undergraduate men's, and all undergraduate GPA respectively. "Overall, most chapters are on the right track and I'm proud of their accomplishments," said Katie Williams.
