Seating auditions will be held between 4:00 - 6:00 p.m. on Sunday, June 2, 2024.

Auditions will be divided into instrument areas and specific locations will be available at registration.

Auditions are to ensure that students are placed in a chamber group with other students of equal playing ability and for seating placement in large ensembles. Drum majors are required to audition for large ensemble placement.

All students should prepare a short (between two and three minute) piece demonstrating their current playing ability. The piece can be any solo work, an orchestral or chamber excerpt, or an etude. Students should also be prepared to sight read and play basic scales at the audition.

Chamber Groups

Chamber groups are a small group of players, with similar abilities, ranging from 2- 6 students. All students will be assigned a primary chamber group (Chamber I or Chamber II) which will meet twice daily during the institute. Chamber groups will each be instructed by a member of the TTU Music Faculty and will perform in the **Final Student Chamber Recital on Wednesday, June 5 at 7:00 p.m. in Wattenbarger Auditorium**. All parents are welcome to attend this chamber recital.

If students have any interest in additional chamber music opportunities or secondary instruments they should indicate so on their **General Student Information Form**.

Large Ensemble

All students will participate in a large ensemble orchestra, jazz band, woodwind ensemble, or choir.

Private Lessons

Students are permitted to make a request for private lessons from TTU Music Faculty on their **General Student Information Form**. Private lesson requests will be granted on a first-come basis and also based upon that individual music faculty member's schedule during the Summer Music Institute. Sign ups for private lessons can be found on faculty office doors on registration day.
