

# EARN AN ONLINE CERTIFICATE IN DIGITAL ART AND DESIGN

Tennessee Tech University, Cookeville, TN

## BUILD YOUR PORTFOLIO

Grow your professional design portfolio with our 12 credit hour, dual-enrollment program.

## WHAT COURSES DO I TAKE?

### **PRST 1110 – Digital Design: Publishing in Action (3 cr)**

Students will learn basic digital design tools used in the profession. They will also explore digital art careers and develop a basic portfolio.

### **PRST 2110 – Digital Design in Motion: Publishing Techniques (3 cr)**

This course will teach students the foundations of publishing and post-print processes and digital image types and will allow them to more thoroughly explore potential careers in digital design.

### **PRST 3110 – Design Foundations: From Idea to Layout (3 cr)**

Students will learn the basics of the Adobe Creative Suite and the copywriting/editing skills needed in developing professional publications and designs.

### **PRST 3130 – Speaking Their Language: Building Literacy in the Tools of Digital Design (3cr)**

This course introduces students to the digital tools, platforms, and visual forms that shape everyday communication, focusing on how digital design functions across a variety of contexts and how individuals process visual information in digital environments.
