#### HOW TO TRANSFER TO TENNESSEE TECHNOLOGICAL UNIVERSITY

1. Complete the Undergraduate Application form. Submit the form and a nonrefundable \$15 application fee to the Office of Admissions, Tennessee Technological University, P. O. Box 5006, Cookeville, Tennessee 38505. The application deadline date is two (2) weeks before the first day of registration.
2. Request each institution previously attended to mail official transcripts of all work completed and a partial transcript if presently enrolled in another institution. Request the mailing of a final transcript when all work is completed. Transcripts of all work attempted at the college level must be furnished.
3. The official grade point average will be computed on hours and grades earned at all previous colleges or universities. Credit is transferred with the grade made in the course. For example, an "A" is transferred as an "A" and an "F" is transferred as an "F."
4. Students who have attempted fewer than 60 semester hours of college credit must also submit high school transcripts, and those who have not completed college credit Math or English courses must follow COMPASS/ASSET testing guidelines. Students who have attempted fewer than 12 semester hours must also submit ACT scores.
5. All non-commuting single freshmen and sophomores must live in university housing.
6. The applicant will be notified of the admission status after all credentials have been received and evaluated. Tentative admission may be granted on the basis of partial transcripts if the quality of work is clearly acceptable. Final admission is granted only after all official transcripts and credentials are received. Upon acceptance the student will be sent a Letter of Admission.

If you would like to visit Tennessee Technological University at any time, please contact the Admissions Office between 8:00 and 4:30, Monday through Friday. For additional information, please contact the Office of Admissions at 931-372-3888 or toll-free 1-800-255-8881.
