Policy Updates and Revisions

Policy 205 (Faculty Tenure)	Bedelia Russell
Policy 207 (Tenured Faculty)	Bedelia Russell
Policy 216 (Student Academic Integrity)	Julie Baker
Policy 282 (Graduate Faculty Appointment & Responsibilities Policy)	Julie Baker
Policy 283 (General Graduate Transfer Credit Requirements)	Julie Baker

Background: Changes in policy 205 and 207 are mandated by the state law (House Bill 2194, signed by Gov. Bill Lee in April 2026), which mandate public universities clearly separate tenure decisions from faculty disciplinary actions. It allows institutions to discipline or terminate both tenured and non-tenured faculty using the same misconduct procedures, utilizing only written notice and a hearing.
