Addendum No. 3, March 3rd, 2026

Re: Tennessee Technological University
Hooper Eblen Center Sound System Replacement
SBC Project No. 364/011-03-2025

From: Upland Design Group PLLC
P.O. Box 1026 (38557)
362 Industrial Blvd.
Crossville, TN 38555
Telephone (931) 484 7541
Fax (931) 484 2351

To: Prospective Bidders

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated 2/5/26, as noted below. Acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject Bidder to disqualification.

This Addendum consists of 1 page and 0 pages of attachments (1 page total).

Clarifications

- 1) Remove the work to add the horizontal absorptive lapendary panels suspended from the existing joist structure from the project. Due to scheduling constraints, these panels will not be installed as part of this project.

Changes to Specifications:

- 1) Remove Section 09 51 14 Acoustical Fabric-Faced Panel Ceilings. This section is not used at this time, since the lapendary panels have been removed from the project.

Changes to Drawings:

- 2) Refer to Sheet A2.1, Reflected Ceiling Plan. The horizontal absorptive lapendary panels suspended from existing joist structure shown on the reflected ceiling plan are not part of this project.
- 3) Refer to Sheet A4.1 Wall Section. Details 6, 7, 8 and 9 are no longer required as the lapendary panels are not part of this project.
