What Can I Do With My Major?

Tennessee Technological University – Career Services

Trying to decide what your major should be?
Concerned about getting a job after graduation?
Considering graduate school?
Want to know what you can do with your major?

The answers to those questions and more may be found in Sigi3!

SIGI 3 is a comprehensive, up-to-date career planning software program. It helps you pinpoint career options based on your interests, values, and education. **SIGI 3** searches and creates printouts of occupational information with critical major and education requirements. You take charge of your own career decision making. Set career goals and plan next steps. You may access the program all at once or a section at a time. Come back as often as you like and try different scenarios and choices. Your information is saved and available in your own personalized file. The **SIGI 3** program takes the guesswork and frustration out of career and educational planning by providing an easy, step-by-step process.

To take the SIGI 3 career assessment:
https://webapps.tntech.edu/sigi

Enter your TTU student lab ID (email log-in) information.
For example: jdoe42 and your password

Once you have logged in, create a new account to take the assessment.

What's Next? Print out the Sigi3 Portfolio.
Call or email for an appointment to meet with a counselor to discuss your results.
