First generation college students

85%

of TWC participants receive some form of financial assistance

600

internship site partners in D.C.

400

institutions across the U.S. partner with TWC

“

The Washington Center was a major part of my growth as a student and as a person. I was able to identify my young professional life's mission through my internship at the Arthritis Foundation where I got a job offer and continue there today.

Julie Eller '16, Stockton University, Manager of Grassroots Advocacy, The Arthritis Foundation and TWC internship supervisor

The Washington Center

Academic Internship Program

Since 1975, TWC's Academic Internship Program (AIP) has prepared students for their future careers through immersive internships. During a semester or summer at TWC, student interns gain real-world, on-the-job experience, make valuable professional connections and gain the skills and tools they need to succeed in the workforce, all while receiving academic credit from their school.

Students of any major can participate in TWC. We partner with over 600 internship sites throughout D.C. to offer internships in a variety of fields.

A Typical Week in TWC's AIP

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
9 am							
10 am							
11 am

Housing with TWC

Students participating in TWC are guaranteed housing at the Residential and Academic Facility (RAF) in NoMa, a vibrant, growing area that's been called "the most connected neighborhood in Washington, D.C." They live with alumni mentors and are in a supportive learning environment.
