Student Learning Outcomes

Upon completion of this course, students will be able to ask and answer personal questions in the present, and communicate effectively in the following contexts: the university, the family, and in a travel environment. Furthermore, students will learn an appreciation for Hispanic cultures.

[Communication: Interpersonal (Speak, Write, Listen)]
[Communication: Presentational (Speak, Write, Listen)];
- Speak with pronunciation sufficiently accurate so as not to impede communication
[Communication: Presentational (Speak, Listen, Read/View)];

[Communication: Interpersonal (Speak, Write, Listen, Read/View)];
- Describe people, places, and things in the present
[Communication: Presentational (Speak, Write, Listen, Read/View)];

[Communication: Interpersonal (Speak, Listen, Read/View)]
- Understand the diverse culture of the Spanish-speaking world and describe some of its basic geographical facts
[Cultures (Relating Cultural Products to Perspectives)].

Methodology

The course is taught using the communicative approach. This means that we USE the Spanish studied by the students at home in meaningful, real-life contexts in the classroom. A variety of teaching techniques and formats are employed to optimize the students' use of Spanish in class, such as TPR (Total Physical Response), group work (involving conversations, role playing, and grammar and vocabulary exercises), audio and visual exercises, brief grammar reviews, cultural explanations, and assigned work from the online Website.

This is a Spanish language course. The professor and the students will speak only Spanish in class.

COVID – 19

1. Students must take personal responsibility in following the recommended CDC COVID-19 guidelines. Students are expected follow all COVID-19 directives published by Tennessee Tech including, but not limited to, notices on Tennessee Tech’s webpage, building and facilities signage, and similar publications. The university’s Return to Campus Student Handbook can be found at <https://www.tntech.edu/return/index.php>.
2. According to Tennessee Tech University’s protocols, face coverings must be worn (covering the mouth and nose) by students in the classroom at all times.
3. Students must abide by predetermined social distancing guidelines and seating arrangements. Movement during class sessions should be limited as to not endanger other students or faculty. Students should be conscious and respectful of others and their health concerns.
4. Students who refuse to comply with university protocols on these matters will be reported to the Tennessee Tech Dean of Students.
5. Students should direct all requests for excused class absences related to COVID-19, regardless of where the COVID-19 testing is performed, to Tennessee Tech’s Health Services. The Office of Student Affairs will provide notifications to faculty members of student absences and the expected length of the absence.

Topics

A detailed listing of vocabulary and grammar topics can be found in the Schedule of Assignments at the end of this syllabus.

Assessment: Direct Measures Grade Composition and Grading Scale

Your grade is based on the assignments below. You should save all returned graded assignments until you receive your final grade for the class.

Extra credit will not be offered. Grades will NOT be curved (ex: 89.9 is a B).

Evaluation

The following grade criteria will be used to determine the final grades for this course:

A: 90-100 B: 80-89 C: 70-79 D: 60-69 F: 59 and below

GRADING BREAKDOWN: The course grade will be determined as follows:

- (2) Exams = 35%
- WEB-SAM online activities = 15%
- Miscellaneous (mini orals, quizzes, ilearn assignments, ilearn quizzes)= 15%
- (2) Compositions = 5%
- Oral Interview =10 %
- Final exam = 20%

Exams

Each 55-minute exam will cover all assigned material and will be given as indicated in the course calendar.

Class Participation: Students must and will be held responsible for preparing for class DAILY. You are expected to come to class prepared and ready to participate actively in class. We realize that you may become ill or have an emergency come up during the semester, so we allow you to miss the equivalent of one week of absences per semester that will not affect your participation grade (FOUR excused or unexcused absences). You should realize that the class experience cannot be “made up” or re-created outside of class. Therefore, each time you are absent, beyond the three days mentioned above, you will lose all class participation points for that day. Exceptions to this policy will be considered on a case-by-case basis.

Oral Interview. You will have one formal oral interview, which will take place during the last third of the semester. This is a face-to-face or recorded interview. Your instructor will provide you with a sign-up sheet as the time approaches. Details about this oral exam and a grading rubric showing exactly how students are evaluated is available under “resources” on iLearn.

WEB-SAM online activities / Other homework -Your instructor will assign homework almost daily from the online WEB-SAM system. It is essential that students review, correct, and understand their mistakes; this process is an essential one when learning any subject. Students must complete the exercises in a timely manner, according to the attached class calendar.

The Lab Manual section of WEB-SAM is crucial because it offers the students listening and speaking exercises outside of the classroom. Students must complete the exercises in a timely manner, according to the attached class calendar.

Pop quizzes- will be given at the instructor’s discretion and calculated into the miscellaneous section of the grades.

Compositions -Each composition—there are two (2) during the semester— There will also be two in-class composition in SPN 1010 to assess students’ writing proficiency. Classes that meet MWF as well as T/R will have 45 minutes of class time to complete the assignment. Notes and dictionaries will not be allowed. In the event you may need help with a word, students will be allowed to ask their instructor for the translation of ONE word only. Detailed grading rubrics for compositions and contextualized writing quizzes are posted on iLearn.

Final exam-The final exam will cover all the grammar covered this semester and will focus on the last chapters.

University Plagiarism Policy

“Plagiarism. When you use (for example, quote or even summarize or paraphrase) someone else’s media, words, data, ideas, or other works, you must cite your source. You should be especially careful to avoid plagiarizing Internet sources (for example, e-mail, chat rooms, Web sites, or discussion groups). It does not matter whether you borrow material from print sources, from the Internet, from on-line data bases, or from interviews. Failure to cite your source is plagiarism. Students who plagiarize may receive an “F” or a “0” for the assignment, or an “F” for the course” (*TTU Student Handbook*)

Attendance (*does not apply this semester*)

Attendance is mandatory. The student is allowed four (4) absences, whether they are excused or unexcused. After the fourth absence, one point will be deducted from the student’s final grade for each subsequent UNEXCUSED absence. Excessive tardiness will count as an unexcused absence.

ALL unexcused absences will count as a zero (0) for the day’s participation grade.

An excused absence is one that occurs due to illness, injury, or death in the student’s immediate family. The student must verify these circumstances with official letters as soon as they return to class. No excuses will be accepted one week after the circumstance occurred.

Please note: If you are participating in any university-sponsored event in which you must be absent from class, an official letter from a Tech faculty or staff member must list these dates and be presented to the professor at the beginning of the semester.

Course Requirements

A serious commitment to the study of Spanish is expected from each student. Students must promptly complete assignments **BEFORE** class. Punctuality and speaking Spanish in class are expected and required.

Please note that the classes are conducted almost entirely in Spanish.

Student Conduct

The Department of Foreign Languages aims to provide an optimum learning environment in its classes. Students must also be responsible to meet this end. Therefore, we require that:

1. All cellular phones be turned off during class,
2. Students be respectful of the professor and their fellow students,
3. And, finally, students must arrive on time and leave at the end of the class.

Any deviations from these minimum expectations will result in the lowering of your class participation grade, and, if irresponsible behavior should continue, your final grade may be affected.

Make-up Exam Policy

The professor will NOT create any exams for those students who missed an exam, whether the reason is excused or unexcused. For those students who have an excusable absence for the date of the missed exam, their final exam grade will replace their missed exam grade.

Disability Accommodation

“Students with a disability requiring accommodations should contact the Office of Disability Services (ODS). An Academic Adjustment form should be completed as soon as possible, preferably by the end of the first week of the course. The ODS is located in the Roaden University Center, Room 112; phone 372-6119.”
