### Course Requirements

A serious commitment to the study of Spanish is expected from each student. Students must promptly complete assignments **BEFORE** class. Punctuality and speaking Spanish in class are expected and required.

Please note that the classes are conducted entirely in Spanish.

### Methodology

The course is taught using the communicative approach. This means that we USE the Spanish studied by the students at home in meaningful, real-life contexts in the classroom. A variety of teaching techniques and formats are employed to optimize the student's use of Spanish in class, such as TPR (Total Physical Response), group work (involving conversations, role playing, and grammar and vocabulary exercises), audio and visual exercises, brief grammar reviews, cultural explanations, and assigned work from the online Website.

This is a Spanish language course; therefore, the professor and the students will speak only Spanish in class.

### Topics

A detailed listing of vocabulary and grammar topics can be found in the Schedule of Assignments at the end of this syllabus.

### Evaluation

The following grade criteria will be used to determine the final grades for this course:

A: 90-100    B: 80-89    C: 70-79    D: 60-69    F: 59 and below

**GRADING BREAKDOWN:** The course grade will be determined as follows:

- (2) Exams = 30%
- WEB-SAM online activities = 15%
- Miscellaneous (quizzes, ilearn assignments, ilearn quizzes)= 15%
- (2) Compositions = 10%
- Oral Interview = 10%
- Final exam = 20%

### Exams

Each 55-minute exam will cover all assigned material and will be given as indicated in the course calendar.

### Participation

Each student is expected to participate actively in each class. Participation is evaluated on a daily basis and this grade, there are three (3), is given with each corrected exam. See explanation sheet on grading participation.

### Oral Interview

You will have one formal oral interview, which will take place during the last third of the semester. This is a face-to-face or recorded interview. Your instructor will provide you with a sign-up sheet as the time approaches. Details about this oral exam and a grading rubric showing exactly how students are evaluated is available under “resources” on iLearn.

### WEB-SAM online activities / Other homework

Your instructor will assign homework almost daily from the online WEB-SAM system. It is essential that students review, correct, and understand their mistakes; this process is an essential one when learning any subject. Students must complete the exercises in a timely manner, according to the attached class calendar.

The Lab Manual section of WEB-SAM is crucial because it offers the students listening and speaking exercises outside of the classroom. Students must complete the exercises in a timely manner, according to the attached class calendar.

Students will receive a grade for the overall Work Book section of WEB-SAM and Lab Manual activities for each chapter.

Pop quizzes will be given at the instructor's discretion and calculated into this section of the grades.

### Compositions

Each composition—there are two (2) during the semester— There will be two in-class composition in SPN 1020 to assess students' writing proficiency. Classes that meet MWF as well as T/R will have 45 minutes of class time to complete the assignment. Notes and dictionaries will not be allowed. In the event you may need help with a word, students will be allowed to ask their instructor for the translation of ONE word only. Detailed grading rubrics for compositions and contextualized writing quizzes are posted on iLearn.

### Final exam

The final exam will cover all material learned during the semester and given according to the university's schedule.

### University Plagiarism Policy

**“Plagiarism.** When you use (for example, quote or even summarize or paraphrase) someone else's media, words, data, ideas, or other works, you must cite your source. You should be especially careful to avoid plagiarizing Internet sources (for example, e-mail, chat rooms, Web sites, or discussion groups). It does not matter whether you borrow material from print sources, from the Internet, from on-line data bases, or from interviews. Failure to cite your source is plagiarism. Students who plagiarize may receive an “F” or a “0” for the assignment, or an “F” for the course” (*TTU Student Handbook*).

### Attendance ( doesn't apply this semester)

Attendance is mandatory. The student is allowed four (4) absences, whether they are excused or unexcused. After the fourth absence, one point will be deducted from the student's final grade for each subsequent UNEXCUSED absence. Excessive tardiness will count as an unexcused absence.

ALL unexcused absences will count as a zero (0) for the day's participation grade.

An excused absence is one that occurs due to illness, injury, or death in the student's immediate family. The student must verify these circumstances with official letters as soon as they return to class. No excuses will be accepted one week after the circumstance occurred.

Please note: If you are participating in any university-sponsored event in which you must be absent from class, an official letter from a Tech faculty or staff member must list these dates and be presented to the professor at the beginning of the semester.

### Special needs

“Students with a disability requiring academic adjustments and accommodations must contact the Accessible Education Center (AEC). AEC is located in the Roaden University Center, Room 112; phone 372-6119. For more information see Tennessee Tech Policy 340 (Services for Students with Disabilities) at [www.tntech.edu/policies](http://www.tntech.edu/policies).”

### Student Conduct

The Department of Foreign Languages aims to provide an optimum learning environment in its classes. Students must also be responsible to meet this end. Therefore, we require that:

1. All cellular phones be turned off during class,
2. Students be respectful of the professor and their fellow students,
3. And, finally, students must arrive on time and leave at the end of the class.

Any deviations from these minimum expectations will result in the lowering of your class participation grade, and, if irresponsible behavior should continue, your final grade may be affected.

### Make-up Exams Policy

The professor will NOT create any exams for those students who missed an exam, whether the reason is excused or unexcused. For those students who have an excusable absence for the date of the missed exam, their final exam grade will replace their missed exam grade.

### COVID – 19

1. Students must take personal responsibility in following the recommended CDC COVID-19 guidelines. Students are expected follow all COVID-19 directives published by Tennessee Tech including, but not limited to, notices on Tennessee Tech’s webpage, building and facilities signage, and similar publications. The university’s Return to Campus Student Handbook can be found at <https://www.tntech.edu/return/index.php>.
2. According to Tennessee Tech University’s protocols, face coverings must be worn (covering the mouth and nose) by students in the classroom at all times.
3. Students must abide by predetermined social distancing guidelines and seating arrangements. Movement during class sessions should be limited as to not endanger other students or faculty. Students should be conscious and respectful of others and their health concerns.
4. Students who refuse to comply with university protocols on these matters will be reported to the Tennessee Tech Dean of Students.
5. Students should direct all requests for excused class absences related to COVID-19, regardless of where the COVID-19 testing is performed, to Tennessee Tech’s Health Services. The Office of Student Affairs will provide notifications to faculty members of student absences and the expected length of the absence.
