¹ UNIV 1020 or equivalent is required for first time freshmen. Students not required to take UNIV 1020 may take a general elective (it does not have to be a one-hour course). See your academic advisor.

² Any general education mathematics course. MATH 1010 Introduction to Contemporary Mathematics Ideas recommended.

³ The minimum is a course in a specific language. None of the "Country and the People" courses are acceptable.

- A total of 120 hours is required for graduation with a minimum of 36 hours at the upper level
- Students should apply for graduation at least two semesters prior to expected graduation date.
