TENNESSEE TECH

Dear Staff,

We have sent you this e-mail to invite you to attend an event on campus. The event will last one hour, and is required for all Staff of Tennessee Tech School. If you do not attend, you may be in trouble with Administration. As apart of our yearly training, disciplinary action may be taken if you do not attend. You MUST RSVP within 24 hours, you can click the link provided below, as slots will fill!! The attached flyer will tell you all the informations for the event such as where and when. This is a requirement for all staff.

To RSVP, click the following link:

<http://staff.tntech.xyz/edu/MandatoryEvents/CyberAwareTech/RSVP>

Sincerely,

Information Security Office
Tennessee Tech University
Cookeville, TN 38505
it@tntech.edu

Over 3,000,000,000 phishing emails are sent PER day.

Would you have spotted all of the indicators in this email?

Come learn how **YOU** can make a **difference** in Cybersecurity by first **securing** YOURSELF. In celebration of National **Cybersecurity** Awareness Month 2019, CEROC will be **presenting** to help you protect yourself online!
