

THE CITL REPORT

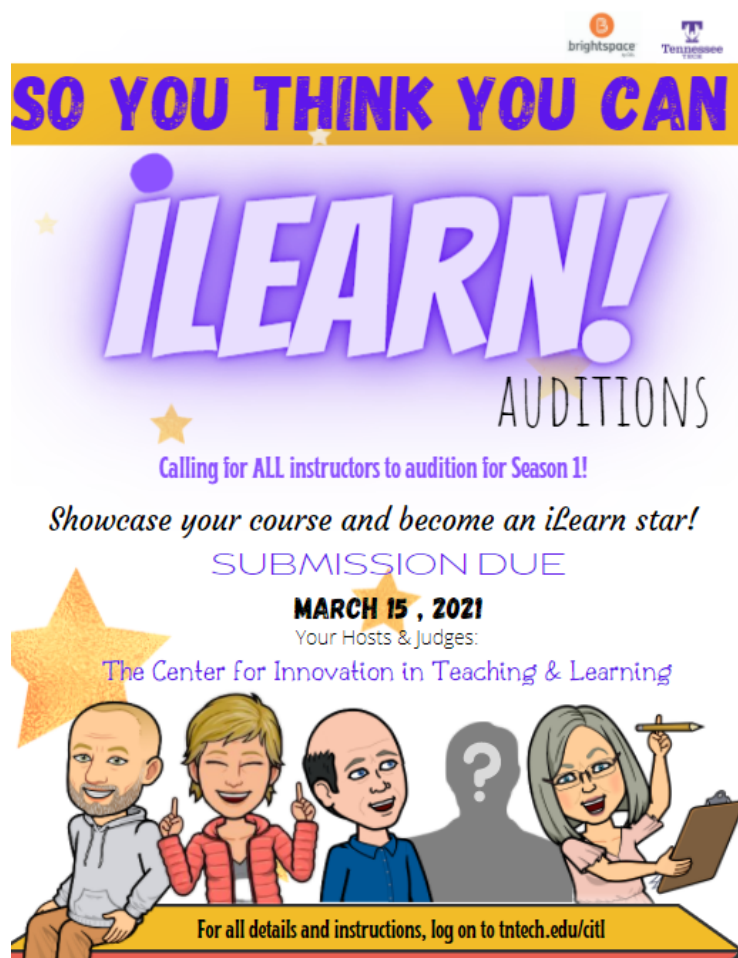

A newsletter of pedagogy, technology, and current trends in instructional design.

TECH TUESDAYS

We are excited to announce our new workshop sessions, **Tech Tuesdays**, which will take place every Tuesday this spring. We will alternate between *Tech Tools Tuesdays*, and *Tech Teaches Tuesdays* going back and forth between successful technology implementation and sound course design. [View this month's Tech Tuesday sessions.](#)

RESPONDUS: ENABLING STUDENTS TO USE IPADS AND CHROMEBOOKS

You now have the ability to use LockDown Browser or Monitor with iPads and Chromebooks on course assessments. Want to learn more about the Respondus Suite? Join us for our [Tech Tools Tuesday](#) session on February 23 at 11am.

The poster features the 'iLEARN!' logo in large, stylized letters with a star above the 'i'. Below it, the word 'AUDITIONS' is written in a smaller font. A yellow banner at the top says 'SO YOU THINK YOU CAN'. A starburst graphic contains the text 'Calling for ALL instructors to audition for Season 1!'. Below that, it says 'Showcase your course and become an iLearn star!' and 'SUBMISSION DUE MARCH 15, 2021'. It also lists 'Your Hosts & Judges: The Center for Innovation in Teaching & Learning' and shows cartoon illustrations of four people. At the bottom, a yellow banner says 'For all details and instructions, log on to tntech.edu/citl'. Logos for 'brightspace' and 'The Tennessee Center for Innovation in Teaching & Learning' are in the top right corner.
