

## iLearn: Submit an Assignment

Center for Innovation in Teaching and Learning

---

The **Assignments** tool enables you to submit assignments in Brightspace Learning Environment (iLearn), eliminating the need to mail, fax, or email your work to instructors. Simply upload your submission to the appropriate assignment and submit.

### Understanding Due Dates and End Dates:

- A **due date** is the submission deadline of an assignment in your course. This date is specific to assignments only.
- An **end date** is attached to assignments. The end date is the final date an assignment is available for you to submit to, regardless of the due date. Once the end date of the assignment is past, you are no longer able to submit, no matter what the assignment's due date is.

### To Submit Assignments:

- From the navbar, click **Assignments**.
- On the **Assignments** page, click on the assignment you want to submit to.
  - Text Submissions
    - Follow the assignment instructions, and do one of the following:
      - Type your assignment directly in the **Text Submission** field.
      - When you finish your written response, click **Submit**.
  - File Submissions
    - To browse for the file you want to submit, click **Add a File**. You can attach files from your local computer or storage device, a personal locker, a group locker, or Brightspace ePortfolio. Enter any comments you want to submit with the file. Click **Submit**.
  - **Record Audio Submission**
    - You can select **Record Audio** to add feedback.
      - When you finish a recording, click **Add**. Enter any comments you want to submit with the file. Click **Submit**.
- Click **Mark as Complete** to manually mark an assignment as completed.

If your instructor enabled e-rater® Grammar feedback, to view grammar feedback on your assignment, on the **Submission History** page, click the **View e-rater® grammar feedback** link in the **Inline Feedback** column.

If your assignment allows multiple submissions, you can incorporate any grammar feedback and resubmit your assignment.

### NOTES:

- If the assignment is Turnitin enabled, the file you submitted is pre-validated at the time of submission to ensure it is within the Turnitin file type and size requirements.
