Center for Innovation in Teaching and Learning

Some instructors use the **Content** area to display course content. Typically, the Content area is divided into modules. Each module will house different content, depending on the structure your instructor has provided. You can use the **Table of Contents** to navigate these modules.

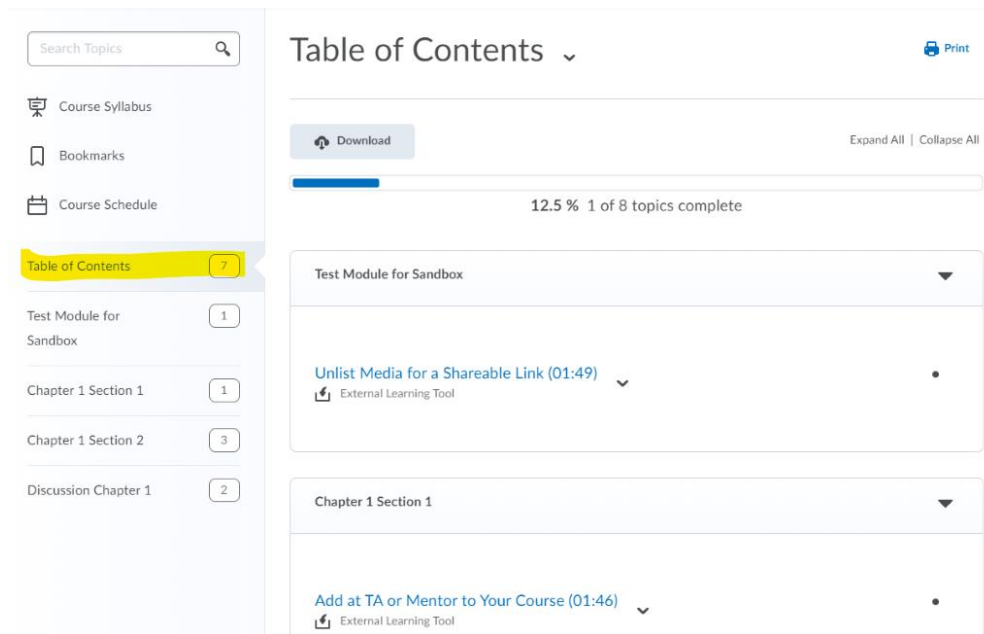

To access the Content area:

- Select **Course Materials** in the Nav bar
- Choose **Content** from the drop-down menu

On the left side of the screen the Table of Contents is listed below “Bookmarks” and Course Schedule

- Select **Table of Contents**

In the center of your screen, you will be able to scroll through all of the **course materials** provided in the Content section.

The screenshot shows the iLearn Table of Contents interface. On the left is a sidebar menu with the following items: 'Table of Contents' (7), 'Test Module for Sandbox' (1), 'Chapter 1 Section 1' (1), 'Chapter 1 Section 2' (3), and 'Discussion Chapter 1' (2). The main content area on the right displays the selected section, 'Test Module for Sandbox', which is expanded. Below it, 'Chapter 1 Section 1' is expanded, showing 'Unlist Media for a Shareable Link (01:49)' (External Learning Tool). Below that, 'Chapter 1 Section 2' is expanded, showing 'Add Media to a Course Using Content (01:03)' (External Learning Tool), 'Sandbox Discussion' (Discussion Topic), and 'Test Quiz' (Quiz). The 'Test Quiz' item has a checkmark icon.

You can also navigate the modules **individually** by selecting the module in the menu on the left side of the screen.
