CITL TechTrendsetters Grant: Redefining Classroom Boundaries

General Information: Name, College, Department, Rank

Proposal Concept
Please explain how your proposal redefines classroom boundaries through boosting faculty engagement and proficiency in incorporating emerging technologies, tools, and digital literacy into your course.

Undergraduate or Graduate Course

Proposed semester of course offering.

Describe how your proposal will align with your personal and professional goals.

As part of the Strategic Plan - Innovation in All We Do, describe how your proposal incorporates innovation and technology within the classroom.

I understand the grant cycle begins June 10th, all course elements are to be completed by December 18th.

Is there anything else you want the proposal review group to consider as they make final selections?
