

Zoom: Create and Access Your Zoom Account

Center for Innovation in Teaching and Learning

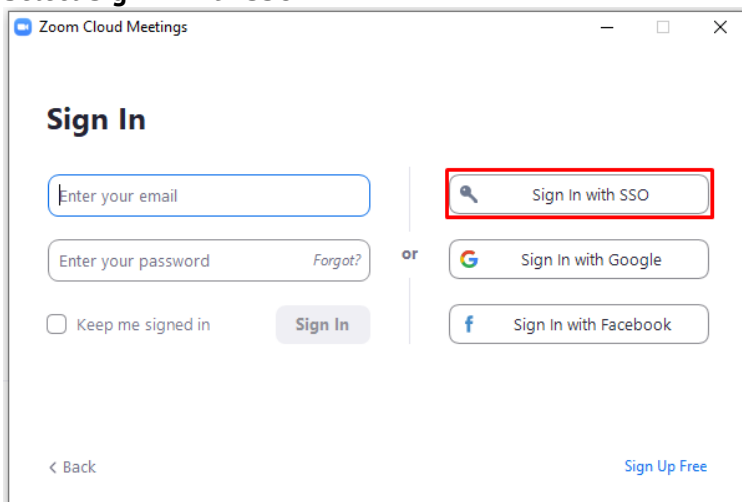

Create and Access your Zoom Account

You can login to Tech Express and select **Zoom**. Your account will be created the first time you choose the Zoom link in Tech Express.

Logging in Using the Desktop App

Some meetings require you to login using the desktop app and it also has some additional features available. To login to the desktop app, you must login using the with the following steps to access your account.

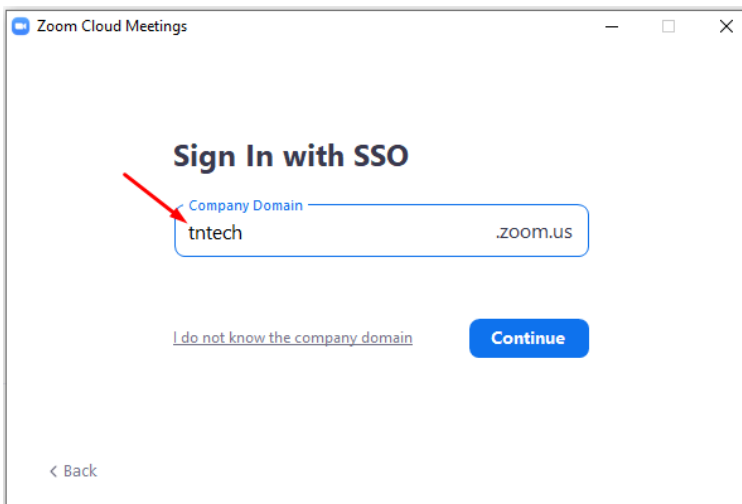

1. Select **Sign In with SSO**

The screenshot shows the Zoom Cloud Meetings 'Sign In' window. It features a 'Sign In' title, a text box for 'Enter your email', a 'Forgot?' link, a 'Keep me signed in' checkbox, and a 'Sign In' button. To the right, there is a 'Sign In with SSO' button (highlighted with a red box), a 'Sign In with Google' button, and a 'Sign In with Facebook' button. At the bottom, there are links for '< Back' and 'Sign Up Free'.

2. Enter **tntech** in the box before .zoom.us

3. Click **Continue**

The screenshot shows the 'Sign In with SSO' screen. It has a title 'Sign In with SSO' and a text box labeled 'Company Domain' containing 'tntech' followed by '.zoom.us'. A red arrow points to the 'tntech' part of the domain. Below the text box is a link that says 'I do not know the company domain' and a blue 'Continue' button. At the bottom left, there is a '< Back' link.

4. Then login with your TnTech credentials.
