## **Policy 1200 Undergraduate Admission Requirements (transfer) – Dr. Johnson**

Mr. Beason turned the meeting back over to Dr. Johnson. Dr. Johnson shared with the committee how freshman applicants are currently reviewed for admission to the University who do not meet the admission requirements. We have a sliding scale for the freshman applicants to give the director authority to admit students without sending those applicants to the Holistic Review Committee. He shared with the committee what is taking place with transfer students who are applying to the University that are not meeting the admission requirements of the overall GPA and the last full-term GPA requirement. Dr. Johnson recommends that we look at changing how transfer student applicants are being reviewed. If the committee agrees to a sliding scale consideration, Academic Council will need approve but it doesn't take board approval. The committee members may change the policy but that will take Board of Trustees approval. Discussion was held by the committee. Dr. Johnson turned the meeting back over to Mr. Beason. Mr. Beason called for volunteers for a task force to review the admission of transfer students who are not currently meeting the requirement as stated in the policy. Mr. Beason offered to volunteer and others that agreed to serve were Rena Wood, Carol McGee, Cynthia Rice.

### **Such Other Items**

Barbara Jared questioned if we were having any issues with receiving transcripts from other institutions. Dr. Johnson shared that he was not aware of any issues but let us know so that we may reach out to those institutions.
