

## College of Education

TENNESSEE TECH

### Dean's Quarterly Update | March 2020

#### Introducing Teachers Rock: A Grow Your Own Initiative

The College of Education at Tennessee Tech is rolling out a strategic recruitment and expedited pathways initiative to increase the number of people pursuing teaching as a profession. We aim to better address district needs especially in high demand areas, including STEM, ESL, and Special Education.

#### Expedited Opportunities and Resources

- dual enrollment for high school students
- add-on endorsements for current teachers
- initial licensure for teaching assistants
- partnering with educators as recruiters of future teachers
- help identifying employment opportunities

It is our intention to expand access for professional advancement for current educators.

*Lisa Zagumny, Dean | College of Education*
