

College of Education TENNESSEE TECH

Dean's Quarterly Update | September 2020

Congratulations 2020 Current Educator Award Recipients!

The College of Education annually recognizes Tennessee P-12 educators working with our teacher candidates. Their dedication, experience, and insight are invaluable resources for these future educators.

During this unusual time, educators have risen to the many unique challenges facing schools and students. Their tireless creativity, devotion, and diligence have helped maintain some continuity, familiarity, and services for children and families.

Thank you for all you do ~ Lisa Zagumny, Dean
