Discussion: Dr. Killman inquired as to the benefit of a Certificate.  
Dr. Stein commented that it might aid in job obtainment  
Dr. Went followed up with a certificate is a great way to get students a specialization area, additional endorsement, or stand out from comparable peers with the same degree (but no certificate). Candidates can also easily roll the courses into a degree, which would be encouraged by the department if the certificate is completed outside of a degree.
- Dr. Stein called a vote.
- All in favor; motion passed
