

A DAY IN THE LIFE WITH STUDENT SUCCESS AGENCY

SUPPORT EDUCATORS, EMPOWER STUDENTS,
STRENGTHEN YOUR INSTITUTION

Provide on-demand coverage for students, find early warning signals of students at risk, and ensure postsecondary success.

Morning! Were you able to finish that math problem that was giving you trouble?

Did you get some sleep?

Friendly Check Ins

Agents check in regularly with students to provide social, emotional, and academic support

Student Safety Alerts

Concerns about a student's wellness or physical safety are de-escalated by our SSA Safety team with alerts sent to your school safety contacts to ensure student safety.

Student Success Agency Alert:
Re: Jane Doe (11th grade) reports experiencing depression and has reached out regarding mental health support. Please follow up with her ASAP!

Help With Schoolwork, Anytime

Agents are available to answer questions about coursework and can also connect students to high-quality tutors in a variety of subjects.

Collaboration with Teachers

Students can receive unlimited tutoring support and teachers can be looped into those sessions via monthly reports.

Student Success Agency Alert:
Re: Jane Doe (11th grade) is signed up to receive tutoring support in Math to help her keep up with assignments.

I can't figure out this math problem ... help!

I got you! I'm finding you a tutor :)

Impact Reporting

Each month, school leaders receive a report that summarizes student interactions with Agents, safety alerts, and tutoring provided.

College & Career Planning & Prep Guidance

Ugh. This college essay is hard. Could you help?

Of course! Send me what you've got so far!

I met with a military recruiter, but also am interested in the wind turbine apprentice program. How do I decide?

That's awesome! Let's weigh your options and potential future outcomes together.

How was your day? How did your tutoring session go?

My tutor was cool. I def think it helped. I've got another session scheduled too. Thank you for the hook up.

With Student Success Agency, students receive personalized support throughout the day that leads to improved post-secondary outcomes and a stronger school climate — All without any extra work for your team!

Empower Students

Agents provide critical assistance that fosters student success and growth by:

- Providing after-hours homework help and tutoring
- Conducting regular check-ins and mentoring
- Delivering timely interventions for struggling students
- Increasing student accountability
- Assisting with goal-setting
- Celebrating achievements and milestones

Expand the Capacity of Educators

Agents extend student support beyond the traditional school day and act as partners with educators by:

- Offering individualized student support at scale
- Providing valuable insights into students' academic and social-emotional needs
- Connecting students directly with expert tutors and coaches
- Providing data to connect student voice to district decision making
