TNCompass How-To

Creating Your TNCompass User Account

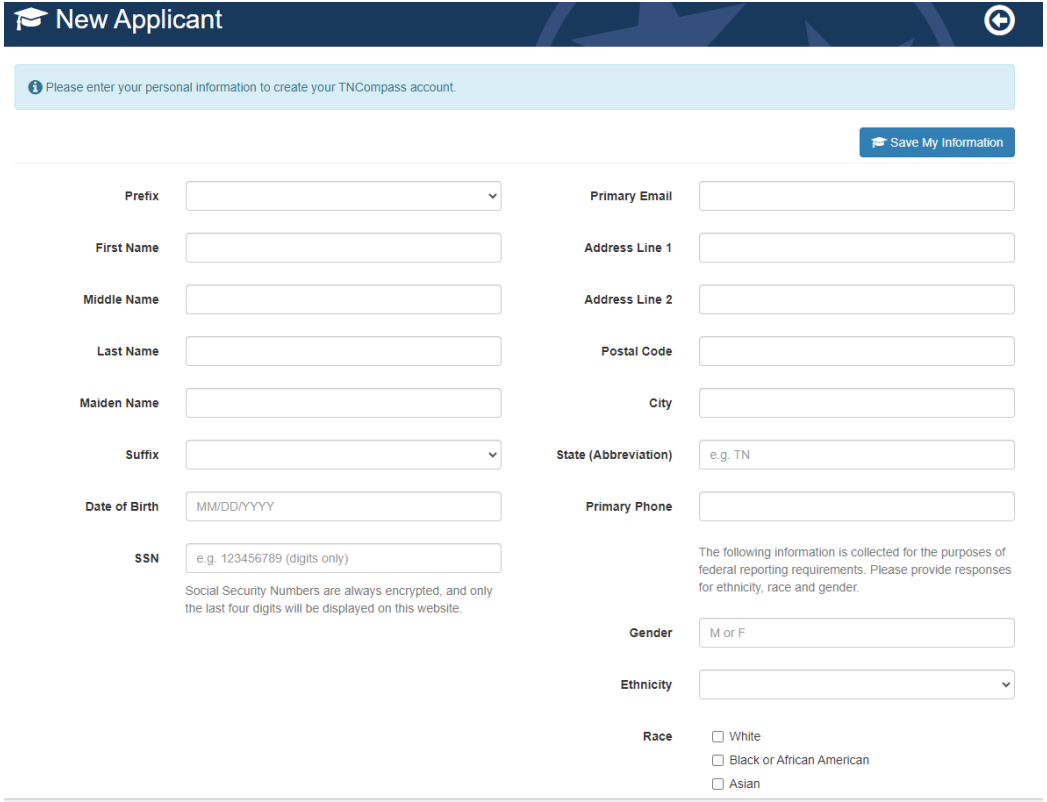

Navigate to https://tdoe.tncompass.org. Click on the link that says **Register Now**.

Enter your date of birth and social security number. Check the box next to ***I'm Not a Robot.*** Click ***Find.***

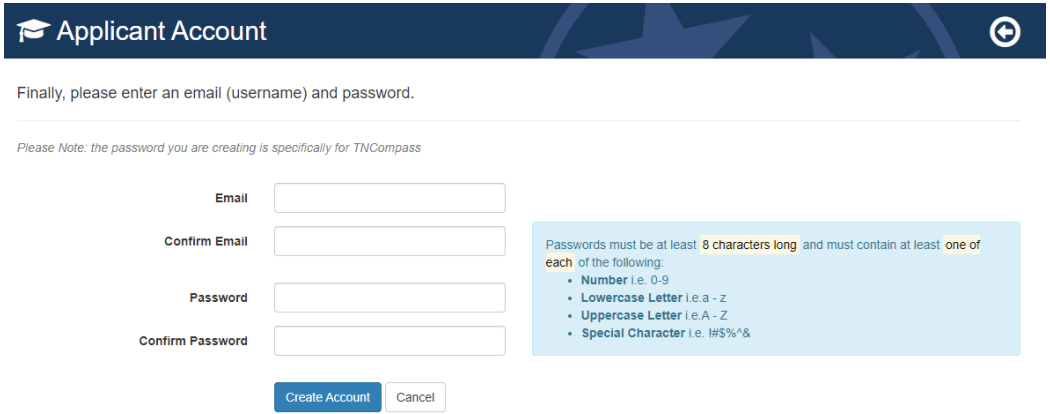

IF you see a yellow box, indicating that ***An educator account has already been registered***, it means that you are already registered with TNCompass. DO NOT register as an out-of-state educator if prompted. If you've forgotten your credentials, use the ***Reset Password*** option or ***Contact Support***.

You will need to enter your personal information to create your TNCompass account. Click ***Save My Information*** when completed.

You will need to create a username and password. Your username must be a permanent email account that you access regularly. **DO NOT USE your tntech or school district email address.** Please make sure the password meets all of the criteria for passwords. Click ***Create Account*** when finished.

You will need to verify the email you provided and activate your TNCompass account by clicking on the provided link. You will be guided back to TNCompass and receive a message that your email has been confirmed. ***Click Log In.***

Navigate to https://tdoe.tncompass.org. Enter your Username and Password and click ***Log In***.

You will be prompted to confirm your account details. If the details are not correct, click the ***Update*** button and update your information, otherwise click the ***Confirm*** button to confirm that your details are correct.

You can find us in
