The Elementary Education Content (5018) Praxis II exam for entry into Residency/Student Teaching will be the most challenging Praxis exam that you take for your license as it measures your prior knowledge of reading and language arts, math, science, and social studies. Begin your test prep now by taking a look at the ETS Study Companion (<https://www.ets.org/praxis/prepare/materials>) and plan to take an ETS interactive practice test early in the Fall 2018 term so you can determine your areas of weakness in each of the four subject areas.
