### Celebrating Our Graduating Teacher Candidates

As the semester is wrapping up, we want you to take a moment and truly see how far you've come. You've pushed through challenges, grown through feedback, and started shaping the kind of teacher you want to be. We've watched you gain confidence, sharpen your skills, and find your own rhythm in the classroom.

You should be proud of what you've accomplished: every lesson taught, every reflection, every step forward. As you move into what's next, remember that this is only the beginning. You're stepping into a field full of possibility, and you're more ready than you realize.

We can't wait to see the impact you'll make. Congratulations, class of Fall '25!

## Important Reminders When Registering for Praxis Exams

When creating your account, the Social Security number field is optional. However, it is not optional for teacher licensure candidates. The Tennessee State Department of Education will match your license application and your Praxis scores by your Social Security number.

At the time of registration, you will also need to select Tennessee Tech (1804) as one of your recipients. If you are taking the exam in Tennessee, it will automatically go to the Tennessee Department of Education. If you are taking an exam in a different state, you will need to add Tennessee Department of Education (8190) as a recipient.

**NOTE: You will need to select Tennessee Tech (1804) EVERY TIME you register for an exam.**

Failure to add your full/correct Social Security number and/or not listing TTU as a score recipient, may result in paying an additional \$50 to send an updated score report.

## Financial Assistance for Praxis Exam

Candidates may be eligible for a fee waiver to cover the cost of a praxis exam.

To be eligible, you must meet the following eligibility criteria:

- You're receiving financial aid.
- You're enrolled in an undergraduate or graduate program and can provide a current Enrollment Verification Certificate. (You're ineligible if you have a master's or a doctoral degree.)
- You can provide the 2024-2025 FAFSA Student Aid Report (SAR) that shows an Expected Family Contribution (EFC) of \$3,000 or less.
- You're required to take a Praxis test by an authorized score recipient.

All requests are processed on a first-come, first-served basis.

For further information on availability and how to apply, please click here: [Praxis Fee Waivers \(ets.org\)](https://ets.org/praxis-fee-waivers).

## Praxis Practice Tests

OTE offers full-length practice tests developed by ETS that allow you to answer one set of test questions to simulate what you will experience on the actual day of the test. You can practice using authentic test questions and, after completing the practice test, view your results by content or category along with the correct answers and explanations for each correct answer.

We can accommodate individuals and groups! Interactive practice tests are completed virtually and take anywhere from 2 to 3.5 hours. Availability may be limited. Please email Elora Davis ([eldavis@tntech.edu](mailto:eldavis@tntech.edu)) for inquiries.
