

2.7 Review and Submit Your Portfolio on edTPA.com

In order to have your portfolio officially scored by Pearson, ***you must review and submit your portfolio using the Pearson ePortfolio System on edTPA.com.***

A video tutorial called “**Submitting your assessment with the Pearson ePortfolio system**” on the **Pearson edTPA site** has been created to assist you with this process. If you have any questions about this process, please contact **Pearson edTPA Customer Support**.

After a successful transfer, **log into the Pearson ePortfolio system**. You must now review the files that have been transferred for each Task and Part in the edTPA assessment.

1. For each Part in each Task, click ***Review Transfer***.
2. Review each file that has been transferred by clicking on the file icon in the Pearson ePortfolio System.
3. Refer to the **edTPA FAQ on the Pearson edTPA site** if you have trouble reviewing or previewing your files.
