

ENGINEER OF DISTINCTION

Tennessee Technological University

Paul D. Degges, P.E.

B.S. Civil Engineering,
Tennessee Technological University, 1988

**Chief Engineer and Deputy Commissioner,
Tennessee Department of Transportation**

As Chief Engineer of the Tennessee Department of Transportation (TDOT), Paul Degges oversees the design and implementation of all of TDOT's engineering projects on Tennessee's 14,988 mile (24,121 km) long state highways system. In addition to this responsibility, Paul manages the activities of 11 divisions and all 4 regional offices.

Paul received his Bachelor of Science degree in Civil Engineering from Tennessee Technological University and is a licensed engineer.

Paul is also active with the American Association of State Highway and Transportation Officials (AASHTO) serving as the Vice Chair of the Standing Committee on Highways and is active on other AASHTO committees. He currently serves on Tennessee Technological University's Advisory Council for Engineering and the College of Engineering Strategic Directioning Team.

Paul and his wife, Sandra, have two children and two grandchildren.
