[Lambda Beta Chapter (TTU) being presented the award for "Most Improved Chapter" in the South Region, at the Regional Conference at Vanderbilt University - 2016]

Benefits

- Exclusive access to internship, co-op, and job opportunities posted by alumni members on our Dringo network.
- Nine exclusive scholarship opportunities. The foresight of generous alumni permanently endowing these funds enables us to fulfill the Educational Foundation's mission.
- Service opportunities such as our Habitat Spring Break. Theta Tau students and alumni from across the country are coming together in Florida and California to spend their spring breaks helping to build homes for the less fortunate!
- Regional and National Conferences, which offer opportunities for networking, building skillsets, and making tons of new friends. They're your brothers!

Our Mission

The purpose of Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship.

THETA TAU

ENGINEERING LEADERS

for Service, Profession, and Brotherhood

A Professional Co-Ed Engineering Fraternity

[Brothers enjoying team building events and relaxing together at our annual Cabin Trip-2018]

Who we are:

Nationally

Theta Tau is the oldest, largest, and foremost Fraternity for Engineers. Since its founding at the University of Minnesota in 1904, more than 40,000 have been initiated at schools across the nation.

With emphasis on quality and a strong fraternal bond, Theta Tau has chapters only at ABET accredited schools and is open to students pursuing an approved curriculum without regard to demographic or socio-economic background.

Theta Tau is also one of the only co-ed engineering fraternities in existence. All engineers are welcome without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.

Core Values

From recruitment, through pledging, to lifelong brotherhood, our members are:

- Honest & Ethical
- Dependable & Trustworthy
- Respectful of Ourselves and Each Other
- Generous of Time, Talent, & Treasure for Each Other, Theta Tau, and our Community
- Proud that we are the oldest, largest, and foremost Fraternity for Engineers

---

"Theta Tau was a life changer during my time in school, and even now. The skills that I picked up ensured my success as an engineer, and the brotherhood I was a part of still carries on to this day. I am forever thankful for my brothers."
-Caleb Addington, ΛB '16
Chemical Engineer, Defense & Aerospace

The Theta Tau Difference

The fellowship, academic support and personal growth our Brothers find in Theta Tau makes all the difference in their personal and professional success. We call that undisputed value The Theta Tau Difference.

Our Goals:

For Our Profession

We develop and nurture engineers with strong communication, problem-solving, collaboration, and leadership skills that we demonstrate in our profession, our community, and in our lives.

For Our Brotherhood

We forge lifelong bonds of fraternal friendship, a journey that develops and delivers a network of lasting personal and professional relationships. We foster an inviting, safe, and social environment in which our members become lifelong friends.

For Our Communities

We are known for our service to our college, university and the larger community. Our service projects create a unifying environment for learning and personal growth for our members.
