TTU alumna named leading woman in automotive industry

Kim Williams, a '94 Tennessee Tech University alumna is putting her Industrial Technology, now referred to as the manufacturing and engineering technology degree, to use showing women what they can do in engineering. Automotive News recently named her one of its "100 Leading Women in the North American Automotive Industry." [Read more...](#)

iMakerSpace opens!

The iMakerSpace located on the third floor of Volpe Library was created as a University-wide center under the leadership of the Colleges of Engineering and Business. The iMakerSpace serves as a focal point on campus to provide training, service, partnership, research and evaluation in innovation and entrepreneurship to all disciplines.

College of Engineering Calendar With just a couple of clicks you can *add events* to your personal calendar or *submit* your own College of Engineering related event, meeting, seminar...*right here!*

Honesty and personal responsibility = academic integrity

- Trust the value of your own intellect.
- Undertake research honestly and credit others for their work.
- Demonstrate your own achievement.
- Accept corrections from the instructor as part of the learning process.
- Do original work for each class.
- Showcase your own abilities.

Read more about academic misconduct...know where you stand.

We would love to know about the exciting things happening in your life. Send information on your news worthy items or an upcoming event within the College of Engineering to engineering@tntech.edu.

Research Day April 7, 2016 11th Annual Research Day setup and judging begins April 6th. *See the requirements, submit abstract and more here.*

Baja SAE 2016 to be held at #TNTech April 14 – 17 at the Hyder-Burks Agricultural Pavilion *See our championship team, event schedule and more here!*

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. – Martin Luther King, Jr.
