

Tennessee Tech established the first Tennessee Link of the Order of the Engineer, link number 7, on October 9, 1971. Tech was the first Link to be established outside that state of Ohio. The organization has become national, with the purpose of fostering a spirit of pride and responsibility in the profession of Engineering.

Pictured above initiates register for the first ceremony at Tech. Left to right: J. Richard Wright, Assistant Dean College of Engineering, Tennessee Tech University, Robert H. Nagel, Secretary-Treasurer, Tau Beta Pi Association, and Willie J. Carter, Ph.D., Dean of Engineering at Tennessee State University, Nashville.

Fall 2018 Engineering Graduates: Registration is open for

- [Order of the Engineer](#): \$15.00 covers the cost of the ring, the certificate and the national fee.
- [Pledge of the Computing Professional](#): \$10 covers the cost of the pin and certificate.
- [Order of the Engineering Technologist](#): \$10 covers the cost of the pin and certificate.

Please **bring the exact amount or pay by check**. There will be no refunds, although initiates who miss a ceremony for unavoidable reasons may participate in the next scheduled ceremony. If you wish to accept this invitation, please come by **Clement Hall, Room 201, no later than noon, Wednesday, Dec. 12, 2018.**

[Induction into the Professions Ceremony](#) will be held Friday, Dec. 14, 2018 at 3 p.m. in Derryberry Auditorium. **Participants need to arrive by 2:45 p.m.** The ceremony is public. Guests are invited and encouraged to attend the ceremony which will last approximately 45 minutes.

Join the Offensive Cyber Interest group to hear Travis Palmer speak on his experience as a Security Research Engineer! He will be discussing the details of a job in "Offensive" Security. Our meeting will be **TODAY, Tuesday, Nov. 27, in Bruner 207.** Food and Drinks will be provided!

Golden Eagle Additively Innovative Lecture Series Thursday, Nov. 29, 11— 11:30 a.m. “How to Integrate Additive Manufacturing in Your Production” with Benjamin Denayer, Senior Business Developer, Additive Manufacturing Sirris, (sirris.be) The Collective Center for the Belgian Technology Industry, Heverlee, Belgium. Join from anywhere via tntech.zoom.us/j/432789883

Please join **Engineers Without Borders and Water Professionals** for a meeting this **Thursday, Nov. 29 in Prescott 330 during dead hour**. We will be "pieing" the winners of the Pie the Professor and Pie the Officer competitions and discussing plans for next semester.

You are invited to attend the **Fall 2018 iMakerSpace Project Highlights Friday, Nov. 30, 2018 in the iMakerSpace (3rd floor, Volpe Library)**. There will be **5 short project presentations from 11—11:30 a.m.** followed by a **3-D printed pancake luncheon from 11:30—Noon**. Follow this [link](#) to see the project titles and more.

Major League Hacking (MLH): The Tennessee Tech **Association for Computer Machinery** will be holding their annual MLH event **Saturday, Dec. 1**. This is a 1 day event, lasting 12 hours, 9 a.m.—9 p.m. at the SAIC office (10 W. Broad St. Suite 300). You do not have to have a lot of experience to participate. Please sign up at <https://bit.ly/2qvyrSU>

Graduating this Fall? Congratulations Future Alumni. We have a gift for you! Simply complete the survey [linked here](#) to help us keep you informed about alumni events after you graduate. This is entirely voluntary, however, whatever information you are willing to share is useful to us in the assessment and continuous improvement of our College and programs.

After you complete the survey, come to Clement Hall Room 201 show us your email confirmation received when you submit the form and pick up your gift any time before commencement. Or, pick up your gift at the College of Engineering Social, Thursday, Dec. 13, 2018 in the West Gym of the FIT immediately following commencement rehearsal which takes place at 4 p.m. **(Free dinner, on us!)**

Thank you – Darrell Hoy, Interim Dean

Department of Energy Office of Environmental Management SUMMER INTERN PROGRAM - administered by Vanderbilt University through a DOE cooperative agreement with CRESP1. **Eligibility:** Graduate students and rising Junior and Senior Undergraduate students. **Duration:** 10 weeks, beginning May 28, 2019 through August 2, 2019. **Locations:** EM Headquarters (Washington, D.C.); Oak Ridge Site (Oak Ridge, TN); Savannah River Site (Aiken, SC); Hanford Site including both the Richland Office and the Office of River Protection (Richland, Washington) **Deadlines:** Applications will be accepted November 15, 2018 – January 4, 2019 on the CRESP website. www.cresp.org/Internship Contact and **Additional Information:** Detailed information about the program and the application will be available at www.cresp.org/Internship by November 15, 2018. Specific questions may be sent to comments@cresp.org.

Look for the next issue of [The Brief](#) January 15, 2019. The Brief is published six times each semester, at the beginning of each semester, after the mid-semester break and at the end of each semester. Please submit articles, events, and notices no later than Monday, Jan. 7, 2019 to engineering@tntech.edu to be included in the next Brief. Be sure to include the name of the organization,

contact email, along with date, time and location of the event. Also the organization web address or social media link(s) – when available.

Submit items for the [eBlast](#) anytime.
