ASME will be hosting a makeup meeting **TODAY - Thursday, September 13th at 11:00 a.m. in Brown 237** to introduce ASME to those who missed our first meeting. Elections will be held the following Thursday, September 20th at the same time and place.

ASHRAE (American Society of Heating, Refrigeration and Air Conditioning Engineering) will host the **1st meeting of the semester on TODAY at 11 a.m. in Brown 236**. *Sean Gilbert will be the guest speaker and there will be free pizza.*

The [Tech I-Corps team](#) is planning an informational seminar for Tech faculty, research staff, and students interested in commercializing technical products. During this meeting, Ethan Languri, Ph.D. and his team (Diva Jaladi and Bob Piras) will share their experiences from participating in the National I-Corps program this summer. We will also present funding opportunities through our local site, the NSF I-Corps, and all SBIR programs.

The meeting will take place **TODAY at 11 a.m. (dead hour) in Prescott Hall 225**. This meeting is informational and appropriate for all faculty and students interested in learning more about technology commercialization. Lunch will be served if a reservation is submitted prior to Tuesday, Sept. 11th. For more information or to RSVP, please contact Stephen Canfield, Ph.D. SCanfield@tntech.edu

SHOUT OUT!' an upcoming event in the CoE [eBlast!](#)

The [eBlast](#) is a twice weekly email to Tech's College of Engineering campus community – students, faculty and staff. It consolidates announcements, reminders of important registration dates, and special events within the college – like DENSO Day, block parties, career fairs and seminars. Engineering student organizations also post reminders of upcoming meetings.

Send announcement information to engineering@tntech.edu. Be sure to include the name of the organization, contact email, along with date, time and location of the event. Also the organization web address or social media link(s) – when available.
