

# UNTAXED INCOME VERIFICATION - INDEPENDENT

## For Calendar Year 2017

### Federal Student Aid Programs

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification", or was flagged for possible conflicting information. In the verification process your school will be comparing information from your FAFSA with your 2017 federal tax return information (loaded to the FAFSA either by using the IRS Data Retrieval Tool or by submitting a 2017 Federal Tax Return Transcript from the IRS) and any other required documents requested either on this worksheet or on Eagle Online under Financial Aid Eligibility / Student Requirements for 2019-2020. Federal law says your school has the right to ask you for this information before awarding federal aid. If there are differences, the school may need to make corrections to your FAFSA. You must complete this worksheet, attach any required documents, and submit to the TTU Financial Aid Office. It must be signed by the student. Try to complete verification as soon as possible so that the processing of your financial aid will not be delayed.

Please mail to: TTU FINANCIAL AID, Campus BOX 5076, COOKEVILLE, TN 38505 or fax to 931-372-6309

Your school must review the requested information under the financial aid program rules (CFR Title 34, Part 668).
