

2022-2023 STANDARD VERIFICATION WORKSHEET (V1, V5) – DEPENDENT

Federal Student Aid Programs

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “Verification”. In this process your school will be comparing information from your FAFSA with your 2020 federal tax return information (loaded to the FAFSA either by using the IRS Data Retrieval Tool or by submitting a SIGNED copy of 2020 Federal Tax Return with applicable schedules) and any other required documents requested either on this worksheet or on Eagle Online under Financial Aid Eligibility / Student Requirements for 2022-2023. Federal law says your school has the right to ask you for this information before awarding federal aid. If there are differences, the school may need to make corrections to your FAFSA. You and your parent(s) included on the FAFSA must complete this worksheet, attach any required documents, and submit to the Tennessee Tech Financial Aid Office. It must be signed by you and at least one parent. Try to complete verification as soon as possible so that the processing of your financial aid will not be delayed.

Please mail to: Tennessee Tech University FINANCIAL AID, Campus BOX 5076, COOKEVILLE, TN 38505 or fax to 931-372-6309

Your school must review the requested information under the financial aid program rules (CFR Title 34, Part 668).
