In order to process your 2025-2026 financial aid file, please submit documentation of all income: W-2s, SIGNED copy of 2024 Federal Tax Return with schedules, most recent check stubs with a year-to-date summary, 1099's and/or a statement from the employer detailing the earnings for EACH person, based on the boxes below, for the calendar year 2024. Please include all sources of income for EACH person including child support received, SSI, TANF, and WIC, etc. **NOTE:** If two parents were reported on your FAFSA, the information requested below applies to BOTH parents.

Please check one of the boxes below based on how your FAFSA lists your dependency status.

- ☐ Independent- (student information only)
- ☐ Independent & married-(student and spouse information)
- ☐ Dependent- (student and parent information)

Please provide the following information for EACH family member (based on the box checked above) for the 2024 calendar year. You are being asked to put a dollar value (your best estimate on what it would cost if you or your family had to pay for the specific item) on each line. **Please explain any answer of zero on the back of this form.**
