2025-2026 Parent PLUS Loan Request Form

A Federal Direct Parent PLUS Loan is available to the parent of dependent, undergraduate students. A parent may borrow up to the total of the Cost of Attendance minus all financial aid and other resources received by the student. To apply for a Federal Direct Parent PLUS Loan, the 2025-2026 FAFSA must be filed and the parent borrower must complete and sign this form and return to the Office of Financial Aid. Deferment of this loan is not automatic and must be requested by parent borrower from their assigned loan servicer.

Paying Allowable Charges from Federal Title IV Funds & Applying Federal Title IV Funds to Prior Year Charges

Student's Name: _____

T#: _____

I authorize Tennessee Tech to deduct allowable charges that the student incurs through the university from my Federal Title IV funds. Federal Title IV funds for a parent to assist their dependent student would consist of the Federal Direct Parent PLUS Loan.

I understand that this authorization is voluntary and I may, at any later point during the academic year, rescind or modify this authorization in full or in part. Any cancellation or modification made at a later date will not be retroactive for charges incurred prior to the cancellation or modification. Unless rescinded or modified by me, this authorization will apply to the academic year applied for.

Note: Charges vary by student, but listed are types of charges that could be incurred by any student during an academic year. Please check both boxes if you approve both options.

☐

Tennessee Tech may apply Federal Title IV funds to pay student's current charges for tuition, fees, room, and board (if contracted through the university) without authorization. This authorization allows these forms to be applied for other allowable charges, including, but not limited to: charges for courses not applicable to student's degree program; books; campus parking permits; and parking/traffic fines; student printing; library fines; returned check fees or other processing fees; university loans; dorm damages; telephone charges.

☐

Tennessee Tech may apply Federal Title IV funds to pay any prior year charges up to \$200 other than tuition, fees, room, and board if these charges do not and will not prevent student from paying current year educational costs.

My signature indicates that I am applying for, am eligible to receive, and accept a Federal Direct PLUS Loan in the amount requested to be used for the student indicated. I authorize the U.S. Department of Education to investigate my credit record and determine my credit worthiness for this loan. I certify that any funds received from this loan will be used for expenses related to the named student's attendance at Tennessee Tech University, that they are eligible to receive the proceeds of this loan, and that the information provided on this form is complete and accurate to the best of my knowledge. I understand that the acceptance and processing of this request does not guarantee credit approval. I understand that if these funds are not available in time to pay any balance owed to the university, the student and/or parent must pay the balance according to the Bursar's Office deadlines.
