

Pottery Boot Camp with Audry Deal-McEver: Weeklong Workshop, July 19 - 24

Material List

Material fee: \$60 - \$140

Students should bring: A basic pottery tool kit per student (including small sponge, needle tool, wire tool, wooden knife, several different types of ribs, and trimming tools). Audry recommends Kemper, Xiem, or Mud Tools brands. Students will also need a clay exacto (or sharp knife), a variety of paint brushes (natural fiber bristles work best), an apron, a hand towel, and a sketch book.

Participants should wear closed-toe shoes and tie back long hair. Refrain from wearing loose jewelry or clothing that could lodge itself into equipment or get in the way. We recommend wearing studio-appropriate clothes that you don't mind getting dirty, dusty, or stained. You may want to bring an apron. For classes that require working with hot materials (blacksmithing, glassblowing, and torchworking) we recommend wearing non-synthetic materials- synthetics contain plastics that can melt when in proximity to high heat.

General protective gear will be provided by ACC during workshops when necessary, including safety glasses and dust masks, but participants are encouraged to bring their own protective gear if they have it.
