

Appalachian Center for Craft

TENNESSEE TECH

Intro to Goldwork: The Art of Metal Embroidery with Carly Owens Weiss

Weeklong Workshop, August 2 - 7

Material List

Material fee: \$50 - \$80

Students should bring: -1 spool Gutermann polyester sewing thread (yellow or non-metallic gold)

additional colors of choice (optional)

- Notebook/ sketchbook & pencil/pen
- Embroidery scissors
- Embroidery needles (sizes 5-10)
- Embroidery hoops - one of each (8" inch hoop, 6" hoop)
- Embroidery frame/stand if you have one (seat frame or table clamp)
- Magnification (if needed for detail work)
- DMC threads of choice (optional)

Participants should wear closed-toe shoes and tie back long hair. Refrain from wearing loose jewelry or clothing that could lodge itself into equipment or get in the way. We recommend wearing studio-appropriate clothes that you don't mind getting dirty, dusty, or stained. You may want to bring an apron. For classes that require working with hot materials (blacksmithing, glassblowing, and torchworking) we recommend wearing non-synthetic materials- synthetics contain plastics that can melt when in proximity to high heat.

General protective gear will be provided by ACC during workshops when necessary, including safety glasses and dust masks, but participants are encouraged to bring their own protective gear if they have it.
