Intermediate Glassblowing with Kayla Sanford: Weeklong Workshop, August 2 - 7

Material List

Material fee:

Students should bring: Specialty colors, recommended each student buy 1 "Bar Student Pack" from OLYMPIC COLOR ROD

Participants should wear closed-toe shoes and tie back long hair. Refrain from wearing loose jewelry or clothing that could lodge itself into equipment or get in the way. We recommend wearing studio-appropriate clothes that you don't mind getting dirty, dusty, or stained. You may want to bring an apron. For classes that require working with hot materials (blacksmithing, glassblowing, and torchworking) we recommend wearing non-synthetic materials- synthetics contain plastics that can melt when in proximity to high heat.

General protective gear will be provided by ACC during workshops when necessary, including safety glasses and dust masks, but participants are encouraged to bring their own protective gear if they have it.
