Screenprinted Transfers for Clay with Kelly Sullivan: Weekend Workshop, May 22 -24

Material List

Material fee: \$50 - \$100

Students should bring: images/patterns prior to class so that they can be printed and ready to go. Instructor will email participants 1-2 weeks before the workshop to share what kinds of images work best for this process.

Participants should wear closed-toe shoes and tie back long hair. Refrain from wearing loose jewelry or clothing that could lodge itself into equipment or get in the way. We recommend wearing studio-appropriate clothes that you don't mind getting dirty, dusty, or stained. You may want to bring an apron. For classes that require working with hot materials (blacksmithing, glassblowing, and torchworking) we recommend wearing non-synthetic materials- synthetics contain plastics that can melt when in proximity to high heat.

General protective gear will be provided by ACC during workshops when necessary, including safety glasses and dust masks, but participants are encouraged to bring their own protective gear if they have it.
