TENNESSEE TECH

Jewelry Boot Camp with Susan Thornton: Weekend Workshop, July 10 - 12

Material List

Material fee: \$30 - \$100

Students should bring: Students can bring any forming stakes and hammers they may have, wire and findings they may want to use to create pieces from their new forms.

Participants should wear closed-toe shoes and tie back long hair. Refrain from wearing loose jewelry or clothing that could lodge itself into equipment or get in the way. We recommend wearing studio-appropriate clothes that you don't mind getting dirty, dusty, or stained. You may want to bring an apron. For classes that require working with hot materials (blacksmithing, glassblowing, and torchworking) we recommend wearing non-synthetic materials- synthetics contain plastics that can melt when in proximity to high heat.

General protective gear will be provided by ACC during workshops when necessary, including safety glasses and dust masks, but participants are encouraged to bring their own protective gear if they have it.
