

Appalachian Center for Craft

TENNESSEE TECH

Materials List

Sculpting with Whimsy, with Tim Spurchase

June 5-10, 2022

The main consumables that we will use is a variety of basic glass colors ranging from frit to bar for the hotshop. If possible, we might utilize the flameworking studio to make some small parts to be picked up in the hotshop. If you would like to bring color, we use Oceanside nuggets system 96/ 96 COE. However, we will have color available for you to use.

REQUIRED FOR ENTRY INTO THE GLASS HOT SHOP

- Closed toe shoes (leather or cotton recommended)
- Cotton clothes or wool (synthetics melt and may melt on you)
- Eye protection to block UV and IR light – these glasses from Olympic Color are one option <https://glasscolor.com/didymium-glasses>.

HIGHLY RECOMMENDED

- Refillable water bottle
- Juice or sports-type drink to remain hydrated in HOT weather
- Kevlar sleeves and gloves

A studio fee of \$75 is payable to the Craft Center for studio consumables.

If you have questions about materials, please contact the instructor directly at spurchase@gmail.com or you may call us at 931-372-6883.
